

**Village of River Hills  
Private Property Inflow and Infiltration Reduction Program**

**CONSENT TO ACCESS PRIVATE PROPERTY  
FOR THE PURPOSE OF SEWER LATERAL REHABILITATION**

This consent to enter my property is granted to the Village of River Hills, giving permission to the Village and its agents or contractors to enter my property to conduct sewer lateral rehabilitation as part of the Village's Private Property Inflow and Infiltration Reduction Program. The lateral rehabilitation will include cleaning and closed circuit TV inspection of the sanitary sewer lateral, removal of debris, roots, and minerals, installation of a new cleanout on the lateral, and injection of a cured-in-place felt and resin liner.

I understand that:

1. This Program is administered by the Village of River Hills and the rehabilitation of my sewer lateral will be performed at no cost to me.
2. The Village will hire a contractor or contractors to perform the rehabilitation and as agents of the Village they have permission to enter my property for the purposes listed above only as long as reasonably necessary to complete the rehabilitation.
3. By signing the consent below I represent that I am the owner of the property or have the legal right to grant permission to enter upon the property.
