To: All residents of the Village of River Hills

It has been nearly two years since the Mandel Group first held a meeting requesting input from the neighborhood for the Eder Property on Brown Deer Road. Many concerns and objections were raised about the initial proposal.

Since then, we have been clear to everyone that no official proposal has ever been made to the Village Board of the Village of River Hills on any public meeting agenda. We also have said all along that if an official discussion was to be held, we would notify all residents of the Village by first class mail. **This is that notice.**

Mr. Mandel has requested a meeting of the Village Board to present an amended plan for a concept discussion only. Anticipating a big turnout, we have reserved the theater at University School, 2100 W. Fairy Chasm Road for Wednesday, July 18th, 2018 at 7:00 p.m.
