

## Crime Prevention Reminders

As part of the River Hills Police Department's ongoing effort to prevent crime and proactively police, officers issue Crime Prevention Placards to residents in certain situations. In these situations, the main goal is help notify residents that these situations may present an opportunity for criminals to commit crimes and to educate the resident on what they can do to prevent crimes. These situations include:

- Open Garage Doors
- Open Windows/Doors
- Unlocked Vehicles
- Vehicles left running unattended
- Valuables left unattended on a property or inside of a vehicle

These are just a few of the situations in which officers will investigate and issue a Crime Prevention Placard. In some cases, officers will make contact with the homeowner.

If you have any questions about this program, please contact Officer Brandon Keto at (414)-247-2302 or email [bketo@vil.river-hills.wi.us](mailto:bketo@vil.river-hills.wi.us) for more information.
