Release of Liability and Hold Harmless
In Exchange for Deer from the Village of River Hills

I/We (Name(s))_____

(Address)_____

(Phone No.)_____; have requested that the Village of River Hills ("Village") allow me/us to receive a single deer that has been field dressed at no cost to me/us. The Village has a permit from the Wisconsin Department of Natural Resource ("DNR") that authorizes the Village to trap or shot deer in the Village. The DNR permit allows the Village to donate a deer to persons that request that their names be added to a list maintained by the Village. In consideration for the free delivery of a field dressed deer, I/We acknowledge and agree to the terms of this Release and Hold Harmless Agreement.

I/We understand that the Village will not inspect or test the deer to determine if it is free from chronic wasting disease or any other disease or defect or that it is safe for human consumption of the deer meat or any part thereof. I/We also agree and understand that the Village does not warrant or guarantee the condition of the deer for any purpose whatsoever and that I/We accept the deer "AS IS" and without any warranties express or implied as to the condition or safety of the deer for consumption or for any other purpose whatsoever.

I/We understand and agree that the Village and its officers, employees and agents may by action or inaction including negligence contribute to or cause property damage or personal injury including serious disease or other personal injury or death to me/us. In consideration for the receipt of a field dressed deer at no cost, I/We agree to accept the risks and hereby covenant and agree not to sue, and further agree to release, discharge and hold harmless the Village and its, employees, officers, officials, agents, insurers and successors or assigns, for or from any and all claims, including those for property damage, personal injuries, wrongful death, costs, expenses and attorney's fees arising from or which may accrue as a result of my/our consent and the receipt of a field dressed deer. The release and hold harmless is not intended to apply to claims arising out of reckless conduct or any conduct that is intended to cause damage or personal injury.

If any term or provision of this Agreement shall, to any extent, be invalid or unenforceable under applicable law, then the remaining terms and provisions of this Agreement shall not be affected thereby; and each such remaining term and provision shall be valid and enforced to the fullest extent permitted by applicable law.

I/We have read this Release of Liability and Hold Harmless and my/our signature below is intended to be binding upon me/us and all my/our heirs, successors, and assigns.
