

RESOLUTION NO. 2022 - 09

A Resolution in Support of the World Migratory Bird Day

WHEREAS, migratory birds are some of the most beautiful and easily observed wildlife that share our communities; and

WHEREAS, migratory birds and their habitats are declining throughout the Americas, facing a growing number of threats on their migration routes and in both their summer and winter homes; and

WHEREAS, public awareness and concern are crucial components of migratory bird conservation; and

WHEREAS, citizens enthusiastic about birds, informed about the threats they face, and empowered to help address those threats can directly contribute to maintaining healthy bird populations; and

WHEREAS, since 1993 World Migratory Bird Day (WMBD) has become a primary vehicle for focusing public attention on the nearly 350 species that travel between nesting habitats in our communities and throughout North America and their wintering grounds in South and Central America, Mexico, the Caribbean, and the southern U.S.; and

WHEREAS, hundreds of thousands of people will observe WMBD, gathering in town squares, community centers, schools, parks, nature centers, and wildlife refuges to learn about birds, take action to conserve them, and simply to have fun; and

WHEREAS, while WMBD officially is held each year on the second Saturday in May, its observance is not limited to a single day, and planners are encouraged to schedule activities on the dates best suited to the presence of both migrants and celebrants; and

WHEREAS, WMBD is not only a day to foster appreciation for wild birds and to celebrate and support migratory bird conservation, but also a call to action; and

WHEREAS, the Village of River Hills and its Committee on the Environment have been recognized for their efforts in raising public awareness of the importance for maintaining healthy bird populations; and

WHEREAS, all citizens are urged to celebrate this observance and to support efforts to protect and conserve migratory birds and their habitats in our community and the world at large.

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of the Village of River Hills that all citizens are encouraged to attend the 2022 World Migratory Bird Day celebration on Thursday, September 8, 2022 at 5:00 p.m. and participate in the educational programs offered on that day.
